INCOMING FIRST YEAR STUDENTS

The CIRP Freshman Survey (TFS) collects important information on what your incoming students are like before they experience college. Key sections of the survey examine:

- College admissions decisions
- Financing college
- High school experiences and behaviors
- Knowledge, skills and abilities
- Expectations for college-major and career
- Expectations for college life

A Note about CIRP Constructs

We use the CIRP Constructs throughout this PowerPoint to help summarize important information about your students from the TFS.

Constructs statistically aggregate the results from CIRP questions that tap into key aspects of the college experience. They focus on student traits and institutional practices contributing to students' academic and social development.

Financing College

Economic factors play an important role in students' decisions about college.

Financing College

The percentage of students with at least some funds from these various sources.

Financing College

Do you have any concern about your ability to finance your college education?

High School Experiences

Understanding students' established behaviors in high school helps foster skills, knowledge and abilities in the curriculum and co-curriculum.

High School Experiences

Please mark which of the following courses you have completed?

High School Experiences

Have you *had* any remedial work in any of the following subjects?

High School Experiences

Do you feel you *will need* any remedial work in any of the following subjects?

Habits of Mind

Habits of Mind is a unified measure of the behaviors and traits associated with academic success. These learning behaviors are seen as the foundation for lifelong learning.

Construct Items

- Support your opinion with logical argument
- Seek solutions to problems and explain them to others
- Seek alternative solutions to a problem
- Evaluate the quality or reliability of information you received
- Ask questions in class
- Take a risk because you felt you had more to gain
- Seek feedback on academic work
- Explore topics on your own, even though it was not required for a class
- Accept mistakes as part of the learning process
- Revise your papers to improve your writing
- Look up scientific research articles and resources

Pluralistic Orientation

Pluralistic Orientation measures skills and dispositions appropriate for living and working in a diverse society.

Construct Items

- Tolerance of others with different beliefs
- Ability to work cooperatively with diverse people
- Ability to discuss and negotiate controversial issues
- Openness to having my views challenged
- Ability to see the world from someone else's perspective

Academic Self-Concept

Self-awareness and confidence in academic environments help students learn by encouraging their intellectual inquiry. *Academic Self-Concept* is a unified measure of students' beliefs about their abilities and confidence in academic environments.

Construct Items

- Self-rated academic ability
- Self-rated mathematical ability
- Self-rated self-confidence (intellectual)
- Self-rated drive to achieve

Civic Engagement

Engaged citizens are a critical element in the functioning of our democratic society. *Civic Engagement* measures the extent to which students are motivated and involved in civic, electoral and political activities.

Construct Items

- Publicly communicated your opinion about a cause
- Worked on a local, state, or national political campaign
- Demonstrated for a cause
- Keeping up to date with political affairs
- Influencing social values
- Helped raise money for a cause or campaign
- Performed volunteer work

Health and Wellness

Students' physical and emotional well-being can affect many important aspects of the student experience including academic performance and persistence. These items gauge student behaviors, attitudes and experiences related to health and wellness.

Health and Wellness

Do you have any of the following disabilities or medical conditions?

Knowledge, Skills and Abilities

These items illustrate students' views of their academic skills and abilities.

High School Experiences

At this institution, which course placement tests have you taken in the following subject areas:

Knowledge, Skills and Abilities

Think about your current abilities and tell us how strong or weak you believe you are in each of the following areas:

Knowledge, Skills and Abilities
